

College of Business Administration

At the College of Business Administration, our mission is to empower the local and regional labour market with graduates who are well-prepared to take on active and successful roles in their field. Our programs are designed to align with the Bahrain Economic vision 2030, and we are constantly striving to enhance our students' knowledge and skills through our commitment to teaching, learning, research, and community activities.

Our programs are aimed at equipping graduates with a strong foundation of theoretical knowledge, along with practical skills that are highly sought-after in the industry. Our emphasis on teamwork, business ethics, and community engagement ensures that our graduates are well-rounded and prepared to make meaningful contributions to society. We take pride in our excellence in teaching, and our commitment to providing students with a supportive and engaging learning environment that fosters growth, creativity, and innovation.
