

College of Architectural Engineering and Design

The College of Architectural Engineering and Design is committed to delivering a top-notch education in architectural engineering, civil and environmental engineering, and interior design. Our programs blend academic theory with hands-on practical training to prepare graduates for successful careers in engineering and design and equip them with the skills to make valuable contributions to the development of the region and its communities.

Our faculty members are experts in their fields, and our state-of-the-art facilities provide students with the latest technologies and tools to support their learning. We strive to provide a stimulating and supportive learning environment that fosters creativity, critical thinking, and innovation, and prepares our graduates to make a positive impact in the world.

The College of Architectural Engineering and Design is composed of three departments:

The Department of Architectural Engineering

Bachelor in Architectural Engineering

 Total Credits Hours: 179 Hours

 Duration of Study: 5 Years

 Language: English

 Price: 130 BD Per Credit

The department of interior design

Bachelor in Interior Design

 Total Credits Hours: 142 Hours

 Duration of Study: 4 Years

 Language: English

 Price: 52 BD Per Credit
(After 60% Partial scholarship)

The department of Civil and Environmental Engineering

B.Sc. in Civil and Environmental Engineering

 Total Credits Hours: 138 Hours

 Duration of Study: 4 Years

 Language: English

 Price: 91 BD Per Credit
(After 30% Partial scholarship)

Tuition Fees

| | |
|--------------|--------|
| Total Amount | 23,080 |
|--------------|--------|

Note: 30% partial scholarship for students with a secondary GPA of 90+

Tuition Fees

| Total Amount | Before | Partial scholarship % | After |
|--------------|--------|-----------------------|-------|
| | 18,480 | 60% | 7,512 |

with optional tracks in

- 1: Structures
- 2: Water Resources and Environmental Management
- 3: Transportation and Remote Sensing
- 4: Construction Engineering and Management

Tuition Fees

| Total Amount | Before | Partial scholarship % | After |
|--------------|--------|-----------------------|--------|
| | 17,960 | 30% | 12,497 |

Career Opportunities

- Architectural Engineer
- Project Manager
- Construction Manager
- Site Supervisor/ Engineer
- Design Consultant
- Building Services Engineer
- Interior Designer / Interior Architect
- Furniture Designer
- Theater and TV set Designer
- Project Coordinator
- Design Consultant
- 3D Visualiser
- Structural Engineer
- Construction Manager
- Water Utility and Environment Engineer
- Real Estate Developer Engineer
- Building Control Surveyor
- Sustainability Consultant

Flexible Payment System

Installment over 3 times during the semester

- **300 BD** before the beginning of the semester.
- **60%** of the value of the semester tuition fees before the midterm exams period.
- **40%** of the semester tuition fees before the final exams period.

Monthly Installment

- **385 BD** for Bachelor in Architectural Engineering
- **157 BD** for Bachelor in Interior Design
- **260 BD** for B.Sc. in Civil and Environmental Engineering

The university offers you the possibility of a monthly installment of tuition fees agreed upon with the Financial Department which allows the flexibility to pay fees without any interest or profits.

Admission Requirements

- Original of Bahrain High School Certificate and Transcript (for Government Schools in Bahrain).
- Original of High School Certificates and transcript from private schools approved by the Ministry of Education in Bahrain (for private schools in Bahrain)
- Equivalence letter for High School Certificate from the Ministry of Education (for private school in Bahrain).
- Conduct Certificate.
- Copy of Valid Passport
- Copy of Valid Bahrain Smart Card (CPR)
- Two recent passport size photographs.

We are glad to be of assistance:
