Dear Joji Abey

BSc in Finance & Accounting

I refer to your application for exemption accreditation in respect of the above programme.

I am pleased to advise that ACCA has now fully assessed this programme for accreditation. Cohorts will be eligible for exemption as follows:

| BSc in Finance & Accounting | |
|--|--|
| Business and Technology | On completion |
| Management Accounting | |
| Financial Accounting | |
| Corporate and Business Law | |
| Performance Management | Cost & Management Accounting (ACCT 216) Advanced Management Accounting (ACCT 217) |

This programme will hold accreditation for a period of 5 years, for graduates from 01/01/2024 to 31/12/2028. If any module changes should occur within this period, please let ACCA know as soon as possible.

Exemption from papers TX, FR, AA and FM have not been awarded in this instance. I have attached a detailed report outlining why I was unable to award the exemptions.

I have also attached a copy of ACCA's A Practical Guide to Writing Assessments. It gives the background to understand various elements that you need to consider when writing your own assessments. It also has information on the intellectual levels relevant to ACCA exams. Finally, it gives guidance around what the criteria mean from a practical perspective, including examples of questions.

Full details of the syllabus, study guide and examinations are available on ACCA's website at <http://www.accaglobal.com>. This accredited programme will be communicated externally by
